

Kappa Sigma Zeta of Lambda Chi Alpha

1990

FALL

1990:

resident Jeff Harger (below)
is tough in enforcing National's
alcohol policy...

"Read my lips, McGinnis..."

NO MORE BEER!...

Get it?"

The Czar has spoken...

"Are you doing anything
between now and 7 p.m.
tomorrow? No??"

Let me show you my
room..."

"I think I should →
leave now..."

"Good, get the fuck
out, bitch!" →

NOT!

"The Iceman", alone with his
woman, gets ready to make
his move ---

"Hey, Jeff, who do you
think will graduate first..."

PETER T.

or
SOZ ?^u

Fun with Theta

Matt Silverman...

Alone again,
naturally

"Help me!
HELP ME!
(Where's Braccoli?)"

"All I want is some snow
tires... and Sam Conzone as a
little brother... and for
everybody to stop picking
on me..."

You know what's going to
happen when John realizes
who his date is?

That's right ---

"The John Corn
Action Photo
Collection"

Axe is the only volunteer
to help Dave Moreau,
whose car got stuck
as he was leaving the
house after a laundry
run.

SPRING
1991 —
PROBATION

Lenny bends over,
hoping for a strike...
or something like
that.

After a rough night of
bowling, what better way
to relax than to play
"Pin Axe's head to the
floor"

And then, of course, we
have to thank Spey for
his leadership and commitment
as Delta:

SPEY DAY!

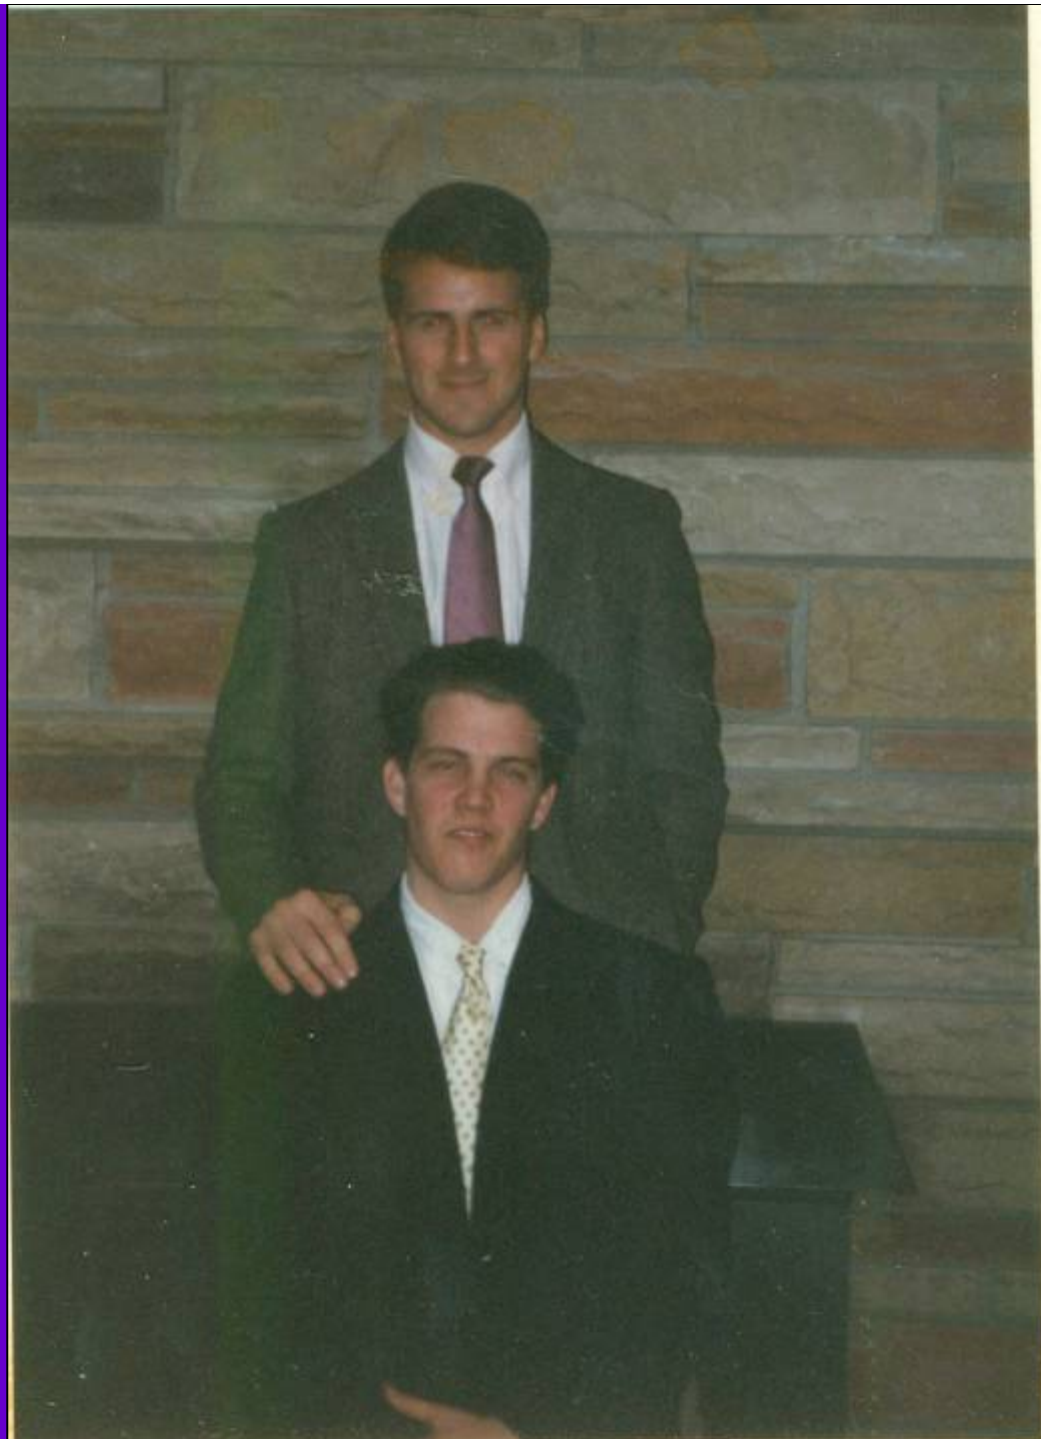

It's Tapping Night —
is Spey's scroll
ready?

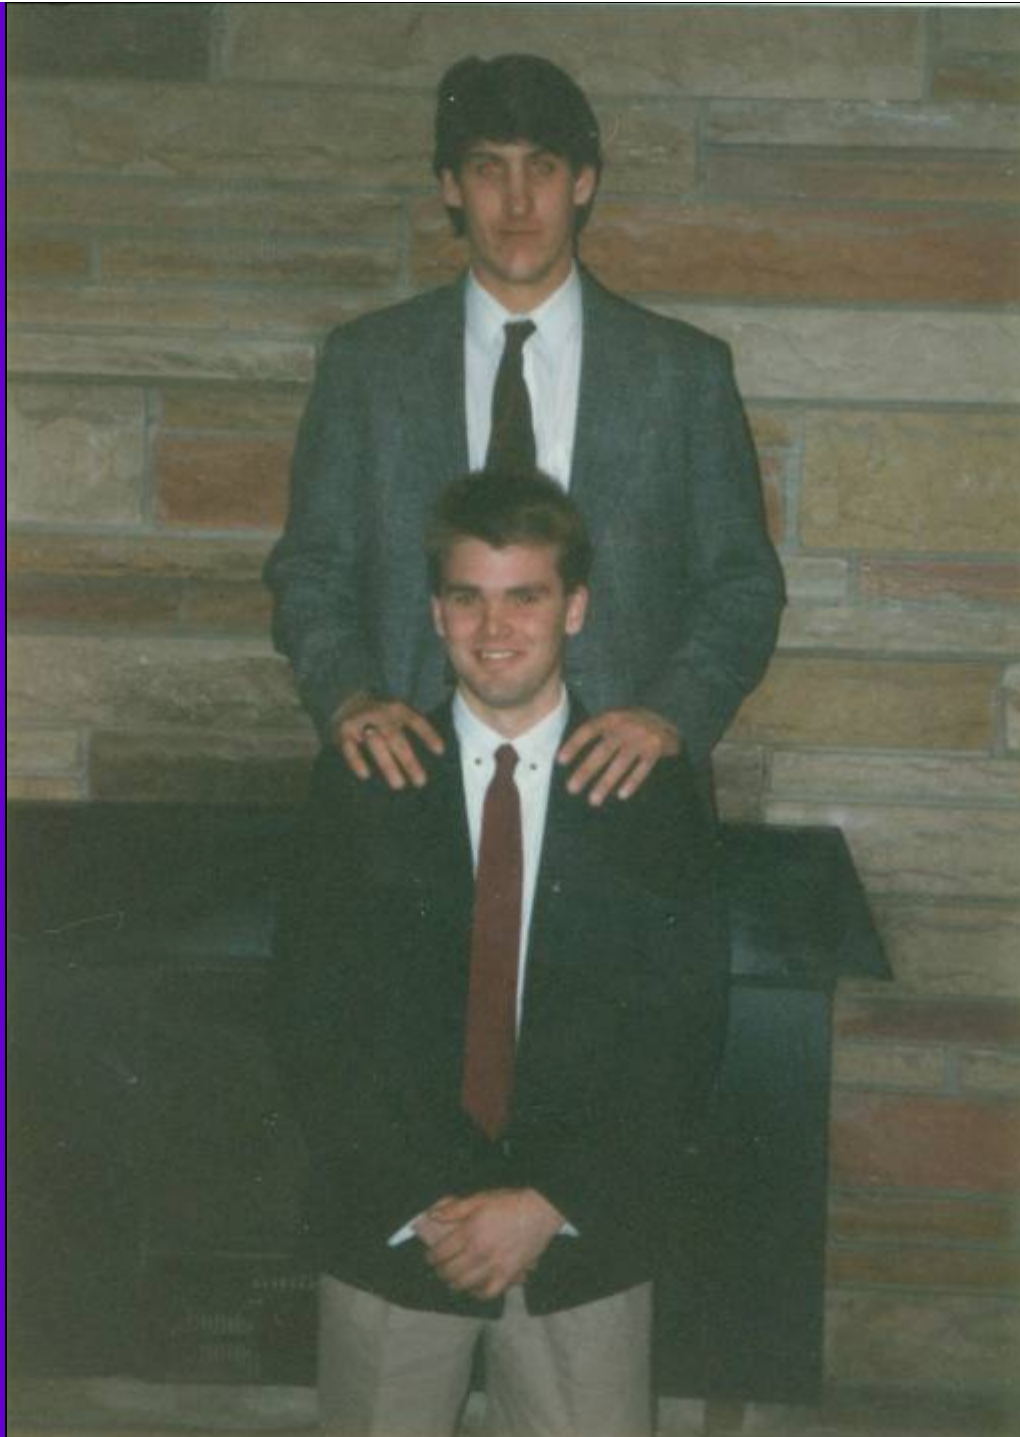

Darren: "I'll kill
Gordy if he gives me
that fuckin' Broccoli
kid as a little brother..."

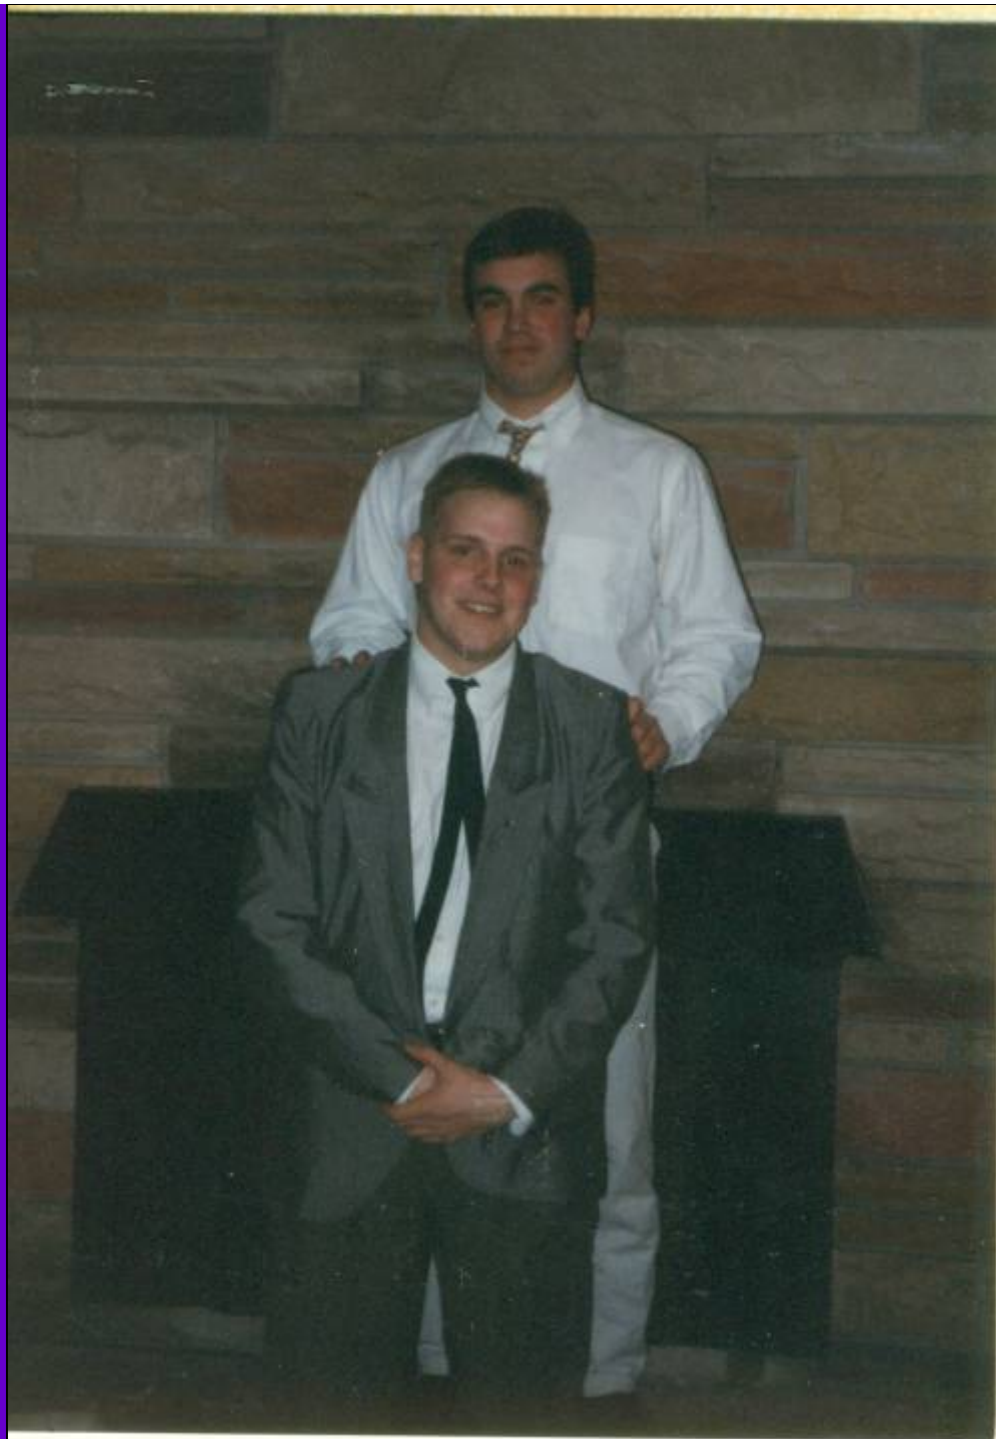

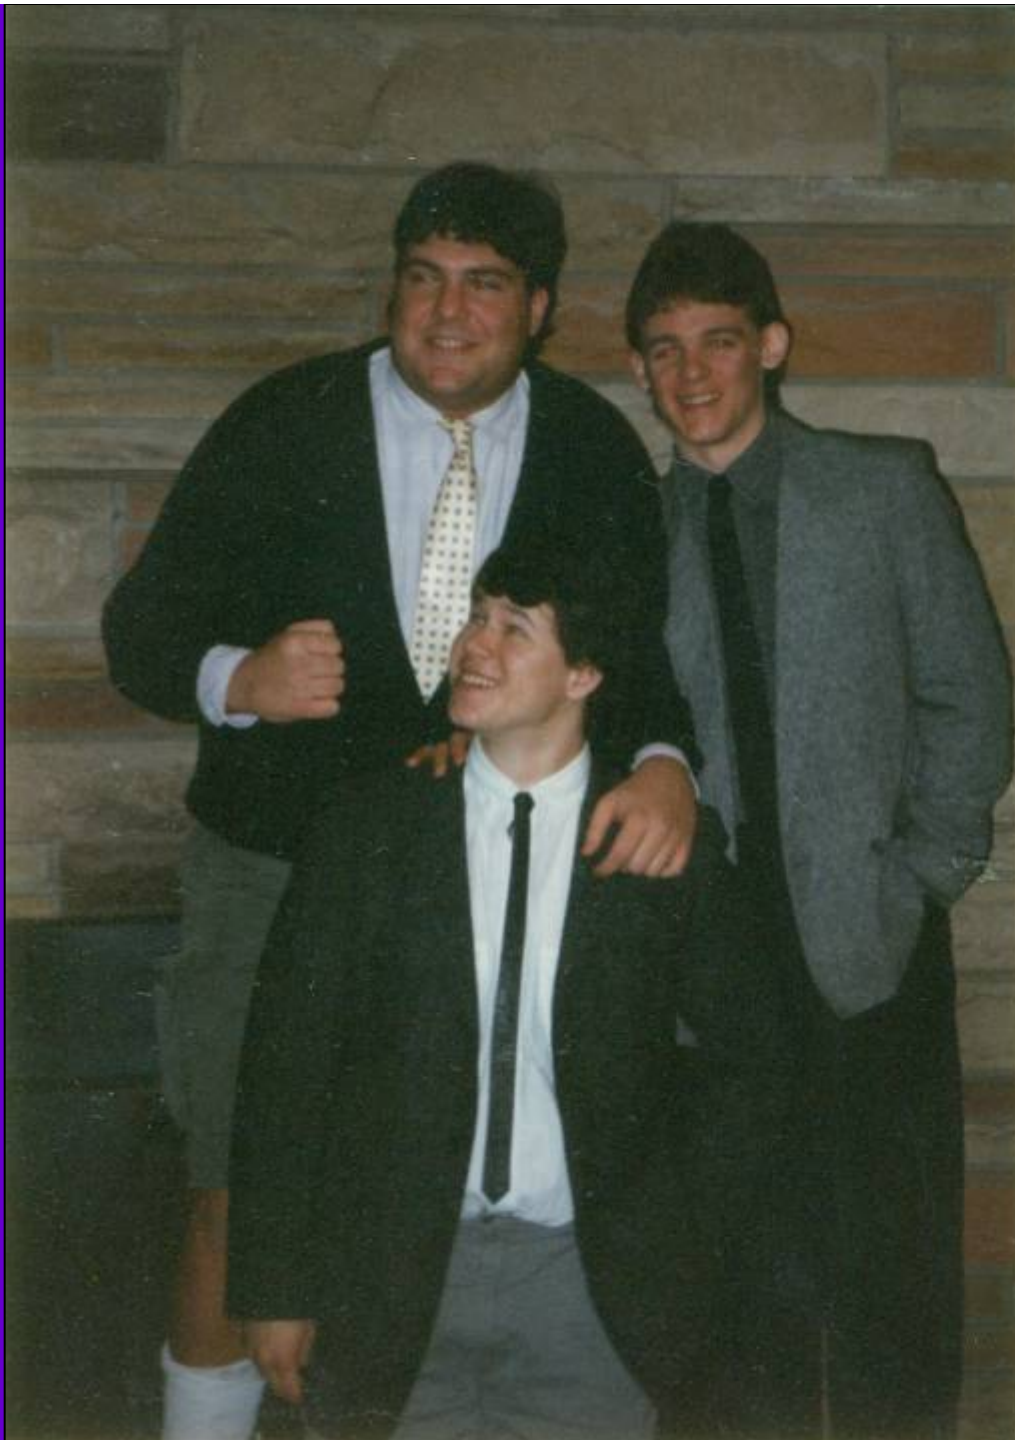

"Fuck you,
Kraft!"

"Gordy, can I hit
him now?"

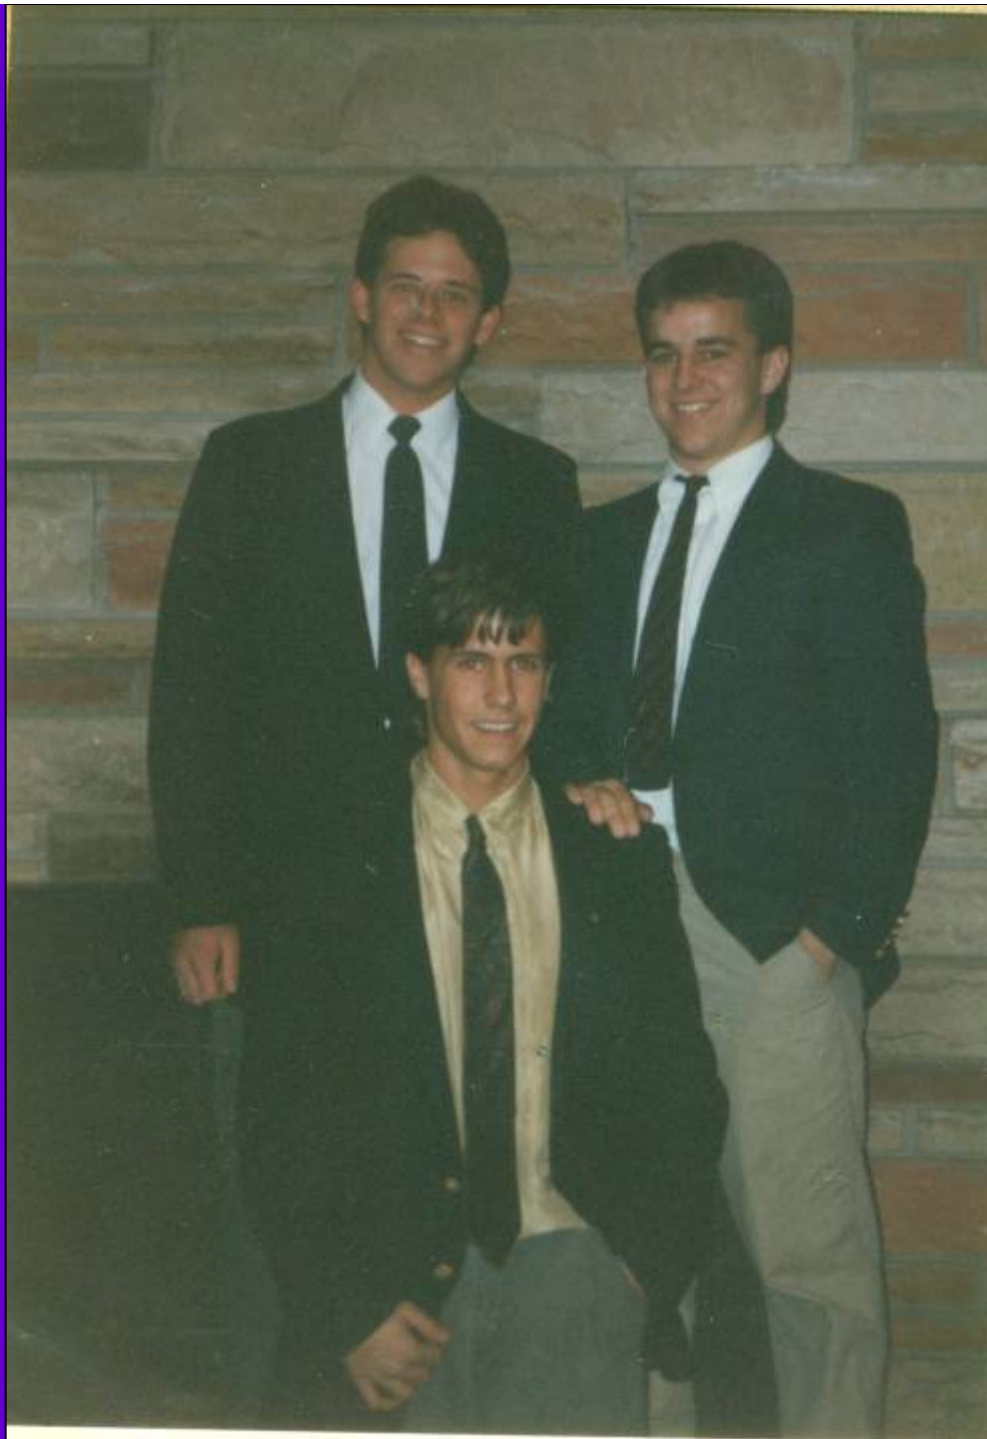

"Wait, Ryan's not
here! I know he hasn't
quit yet ..."

Cheesy + Kraft feed
Derek many, many
beers so they can get
into the kitchen...

Yogi chases Jack(-ass)
when he learns he's going
to quit.

Darren's reaction to
the news that Broccoli
is his little b'?

Get hammered!

Broccoli is thwarted
again as Nancy calls
for assistance.

Pete + Bob
misinterpret "perfect
brotherly love" and
spend the night
together ↴

"Help me...
please..."

"I don't want to play..."

FOOTBALL!

DORK

If you're gonna
play...

...you've gotta
pay!

WADE'S
BED

"Gordy's Kids"
provide some
musical
entertainment

"Wade's cooking pizza
in the kitchen, and he
won't give us any..."

... unless we
lock him in the
closet!

"That's my
pizza, ya
moochers..."

Kidnap your
Kappa...
or else!

high?

"Hee, hee, hee"

"Gordy's kids"
take Gordy
for a ride...

"If anyone fuckin'
tries to kidnap me
next year, I'll
fuck 'em up. Besides,
Kraft's my roommate —
he'll protect me..."

Even Sasha
hated Coppi

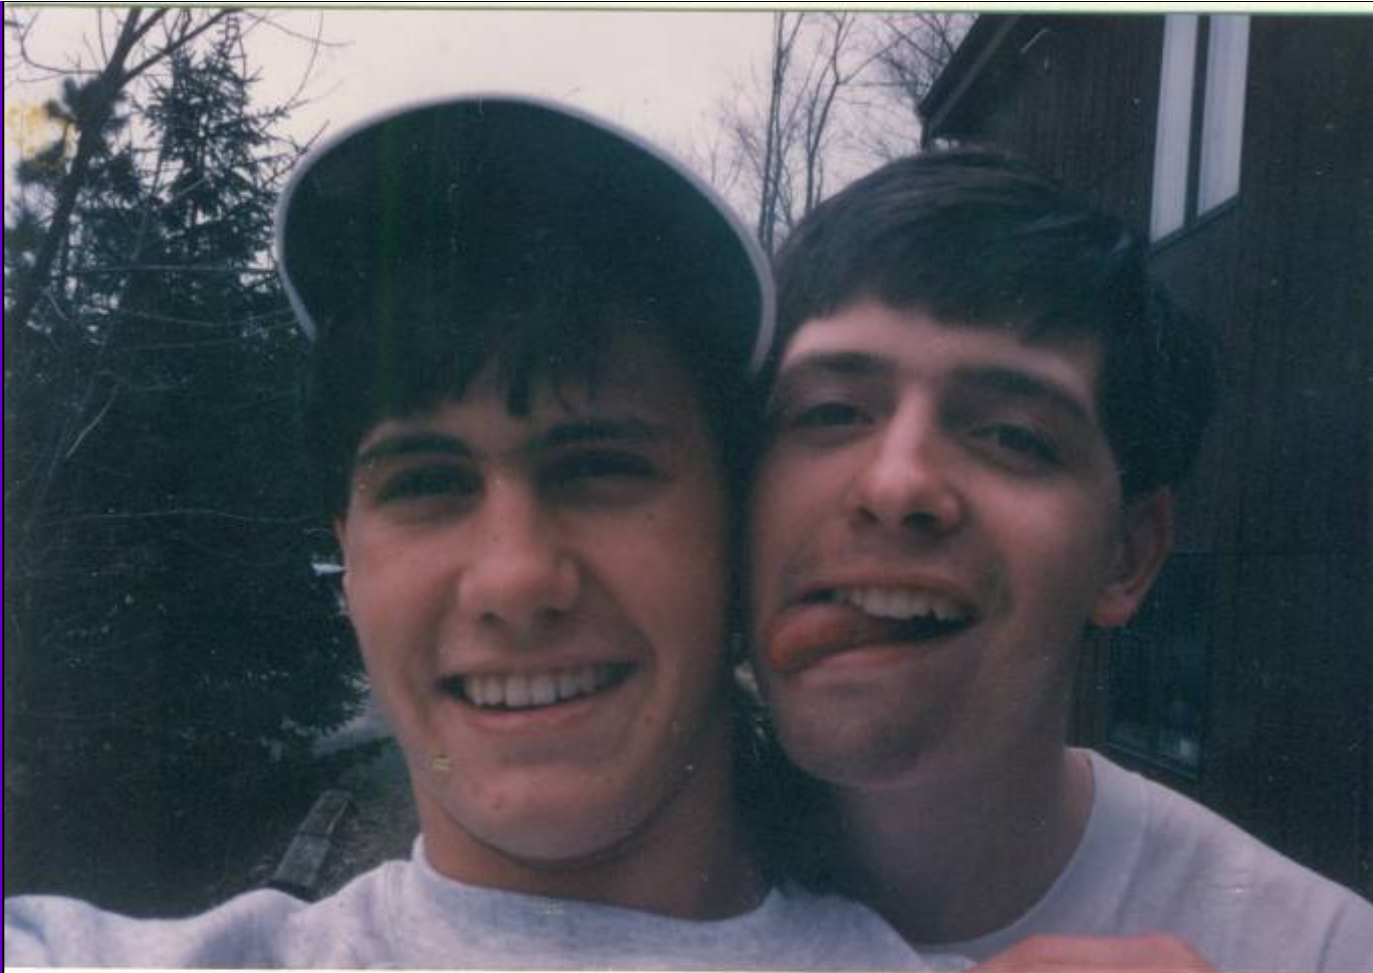

What's everyone
looking at?

- (a) Roesch vs. Gordy
- (b) Spicer vs. Gordy
- (c) Roesch vs. Spicer
- or (d)...

... the annual
sighting of "ACE"
and Green, which
means winter is finally
over ... or their TV
is broken

We always knew
Vince was a little
different---

The drink of choice
for associates...
cheer up, guys - if you
finish that, we'll get
more.

"I didn't do
anything...and besides,
there's no proof!"
