No. 1

Know any of these men? If you don't, you should. Why not drop in soon and get to know us?

Third Annual Alumni-Parents Weekend Planned April 26-28

Kappa Sigma Zeta's second annual Alumni-Parents Weekend, April 27-29, 1956, was a complete success in every way. There were forty parents and fifteen alumni here for the big weekend.

Friday afternoon saw the first arrivals registering. After a buffet supper at the house, a minstrel show was held. Master of ceremonies for the bigger and better show was Don Overbye '56. Ev Harris and Merle Arnold, both '56, and Erf Porter, Bill Sherman, and Al Gileski of the class of '57 were end men. The evening was rounded out by an informal party at the Hotel Sherwood.

Saturday started out with breakfast being served to the parents and alumni by the brothers of the house. Later, the fats-thins game was held for the men and the women toured the campus. In the afternoon a large, enthusiastic crowd watched a close softball game between Klan Alpine and Lambda Chi. Also, the alumni got together at the house for a meeting. Saturday was climaxed with a banquet at the Hornel Moose Club. An excellent roast beef dinner was enjoyed by the 180 people who at-

tended. This was followed by an excellent talk on fraternities by Dean Fred Gertz. After the banquet, a band supplied music for dancing.

Sunday saw many sleepy but happy people going to church and attending the farewell luncheon.

The house is deeply grateful to those who could and did attend our second annual Alumni-Parents weekend. We are particularly grateful to all the parents who showed their interest by coming to the festivities.

We wish that in the future all the reply cards please be returned within three weeks of the Alumni-Parents weekend.

The next Alumni-Parents weekend will be held April 26-28, 1957. This third annual weekend promises to be the best yet. You will all be sent the schedule of the weekend very soon. If it is at all possible to attend, please come this year. If you knew what you were missing you would not hesitate. Come on alumni, this weekend is planned for your enjoyment. Let's have your support this year by being present at the third annual Alumni-Parents weekend.

Homecoming - 1956

The weekend of October 20th proved to be a tremendous success for Lambda Chi. Ithaca and Alfred battled it out on Merrill Field and a record crowd attended the football game. IT WAS HOMECOMING! Lambda Chi wore their traditional green derbies and cheered with their matching megaphones. Before the game over 300 guests and alumni were served a buffet dinner. Over 40 alumni returned for the festivities and among them were Mr. and Mrs. Carl Peterson, Carl is working for the W. J. Keller Company in Philadelphia; Mr. and Mrs. A. "Ding" Bodoin from Cleveland; Mr. and Mrs. Fred Kattack from Penn State where Fred is working on his Masters' in Ceramics; Mr. and Mrs. Donald DeCoursey; Ray Spear, who is working with Uncle Sam; Donald Armstrong, a former resident of Alfred; Dick Thornton (Hubie), who is working for the Bureau of Standards in Washington; and Mr. and Mrs. Dan Olenchuck from Pittsburgh.

Others who returned include

High Alpha's Letter

Dear Brothers,

I again have the pleasure of extending the best wishes of the active chapter to the alumni. It is good to report that the fall's activities were successful. We have made great strides in many areas, and we have every reason to be proud of our Zeta.

The brothers pitched into the job of getting the house into shape this fall. The outside improvements such as the driveway and the front porch give a greatly improved first impression and the inside improvements also give proof that Lambda Chi is moving ahead as always.

The spirit of the house has been great in the intramural program. The men were right behind Sam Iorio, who arranged the biggest and most unique pep rally held since I've been attending Alfred. Seven brothers served as advisors during freshman orientation, and we feel this has proved worthwhile in rushing. We entered into the rush season with the idea of getting the best pledge class yet. We made it!

The progress of the local chapter is synonymous with Lambda Chi Alpha's national policy. The "Kappa Sigma" editor and I attended legislative sessions at the 25th General Assembly in Colorado. All phases of the fraternity were covered and ideas were gathered at bull sessions with brothers from all parts of this country and Canada that will be useful in guiding Kappa Sigma Zeta this year.

One of the highlights this fall was Homecoming. It certainly was great to see so many alumni, their wives and families, back in the halls of Lambda Chi. We are looking forward to seeing you again at Alumni-Parents weekend, at the next Homecoming, on our senior plant trip, on the job and in the service.

Here is hoping that you will visit Alfred and YOUR Lambda Chi Alpha soon.

Yours in Z.A.X.
William H. Rhodes
High Alpha

Banquet — Dance

April 27

Convention Time

The month of August proved eventful for our fraternity. Lambda Chi Alpha convened its 25th General Assembly at the Hotel Colorado, Glenwood Springs, Colorado. The official program commenced on Sunday, August 26, and terminated on Wednesday, August 29.

Two brothers of Kappa Sigma had the privilege of taking part in the convention. H. A. Bill Rhodes '57 was the official delegate and Bill Dick '58 was the alternate. They traveled the 220 miles to the convention site by car.

The convention program began with registration of all delegates and visitors at 8:00 a.m. on Sunday and was followed by the most inspiring Sunday Service conducted by brother Lee F. Tuttle, the Grand High Delta. The opening session of the General Assembly was called to order at 2:00 p.m. that day and the formalities of the convention began. The afternoon of addresses, reports, and presentations of honors was concluded with an outstanding Ritual Exemplification directed by S. George Dirghalli, our traveling secretary. On the final day, Wednesday, warm handshakes and hearty goodbyes could be seen and heard everywhere. The remaining business matters were concluded and the delegates and visitors departed.

Being present at such a convention was indeed awe striking and the attending brothers will doubtless have something to look forward to while serving in later alumni capacities.

Brothers Rhodes and Dick enjoyed the hospitality of several LX chapters on their trip. The return trip comprised a sightseeing tour for the delegates. Places visited included Rocky Mountain National Park, Black Hills, Badlands, Mt. Rushmore, Michigan's Upper Peninsula, Detroit, and Pittsburgh.

We of Kappa Sigma Zeta are looking forward to the 26th General Assembly, to be held in Montreal, Canada, in 1958.

Kappa Sigma at Empire Conclave

Six chapters of the Empire Conclave were represented on the weekend of March 23-25, 1956, when Epsilon-Eta at Rensselaer was host at the Conclave. Among the topics discussed were rushing, pledge training, finances, chapter organization, and scholarship.

Delegates from our chapter were Arden Davis, William Clark, William Rhodes, Joseph Stein, and Francis Tatnall.

Alfred's invitation was accepted for the conclave early in 1957.

Mrs. McCormick

Kappa Sigma's new house mother, Mrs. McCormick joined us after Easter Vacation last year. Born in Buffalo and educated in Buffalo schools, she majored in Home Economics at Drexel Institute in Philadelphia before marrying Albert L. McCormick of Buffalo.

A proud mother of two very successful children, Gordon C. McCormick, an investment banker of Los Angeles, Cal., and Mrs. Gilbert W. Smith, professionally known as Carol McCormick Crosswell, an international lawyer and author, of New York City, Mrs. McCormick is well qualified for her position.

Since she has travelled widely in England, France, Spain, North Africa, Florida and the West Coast of the United States, the brothers can absorb some knowledge of foreign customs and culture.

Mrs. McCormick spends her summers helping her daughter supervise a beautiful cherry and apple orchard on the shores of Lake Ontario near Wilson, N. Y. This fall she held a wonderful party at her home for all the brothers in the Buffalo area. At Alfred, Mrs. McCormick enjoys attending Dr. Bernstein's class on American Literature and Dr. Leach's class on International Relations. Her other interests include architecture, rebuilding old homes, her home at Wilson is the oldest on the Niagara Frontier), collecting antiques, and traveling.

Mrs. McCormick's dog, Violet, a Great Dane, is our new house mascot.

Everyone in the house is proud to have such a fine lady as our House Mother and we hope to have her with us for a long time.

LXA Helps Cop Honors

A prized Alfred plaque is back home. The award is the possession of the New York State Collegiate Cross Country Championship team, and is a gift of Kappa Sigma chapter. What makes the return of the award more fitting is the fact that key men in bringing it back are members of this house. Frank Finnerty, Frank Gilbert and Dave Wilcox are three of the six starters who ran the meet.

In gaining the championship, Finnerty took the number one spot and also established a new meet record while running in the snow at Hamilton College.

Rushing Season Ends Successfully

Following the same plan as introduced by Ed Spirko last year and making use of a new rushing booklet published by national, Kappa Sigma was able to enjoy another successful rushing season.

On Preferential Sunday Kappa Sigma entertained twice as many rushees as any other fraternity on campus. After much deliberation, the following men were pledged:

Michael Hall was born in Logan, W. Virginia. Scio, N. Y. is his present residence. During high school Mike played two years of varsity basketball and was active in student activities. Mike is attending the Liberal Arts school at Alfred.

Phil Harris graduated from Fredonia High School, where he served as treasurer of his sophomore and junior class. He also played two years of football. Phil is a ceramics engineer from Dunkirk, N. Y.

David Lathrop was born in East Aurora, N. Y., and attended East Aurora High School. Dave won varsity letters in track and cross country. He was a member of student senate and is interested in photography. Dave is a ceramics engineer.

Richard Nicholson is from South Glens Falls, and is attending the liberal arts college. His high school activities included band, football, orchestra, tennis, and yearbook staff. Dick is a member of the A. U. band.

Albert L. Richter Jr. is a sophomore transfer from Houghton College. At Forestville High School. Al was president of the junior and senior class, and vice-president of the sophomore class. Al played basketball, football, and track. He is majoring in psychology, and is a member of the Student Senate, Drum and Bugle Corps, and is the social chairman of the pledge class.

Thomas J. Donovan is a sophomore transfer from Brown University. Tom was born in Sayville, N. Y., and attended Moses Brown High School. He was active in Glee Club and track. Tom is majoring in business.

Richard Faber was born in Buffalo, N. Y., and attended Kensington High School. While there, he was president of the senior class, and Sigma Psi Gamma fraternity. He won varsity letters in baseball and cross country. Dick is a ceramics engineer, and is treasurer of the pledges.

Joseph Fusare is a junior transfer from Niagara University. Joe was born in Elmira, N. Y., and was

graduated from Elmira Free Academy. In high school, he was president of the Camera Club and manager of the yearbook. Joe is majoring in economics.

Norman Clayton Gath hails from Avon, N. Y. During high school Norm held numerous offices. He was president of the National Honor Society, treasurer of the senior class, yearbook editor and was on the athletic council. Norm played football, track, volleyball, and was badminton singles champ. At AU this year he ran freshman cross country, and is a member of the Drum and Bugle Corps. Norm is a ceramics engineer.

James Huddleston, a ceramics engineer, is from Kenmore High School. In high school, Jim was a member of the Student Senate, Luther League, participated in intramural sports and was freshman football manager.

Lou "Bouce" Brennison, a ceramics engineer, hails from Buffalo, N. Y. Before entering Alfred, Bouce spent a year at Assumption Preparatory School. Bouce was active in student government, and played four years of football.

Joseph D. Camillo was born in Schenectady, N. Y. Joe ran three years of track and cross country, and was president of the Golden Spike Shoe Society. Running cross country for A. U. this year, Joe placed 16th in the freshman I.C. A.A. meet in New York City. Joe is a physics major in the liberal arts school.

Ron Carmichael graduated from Letchworth High School, where he participated in football, wrestling, and track. Ron was also editor of his school yearbook. At Alfred, he is on the varsity wrestling team and sings in the Chapel Choir. Ron is a ceramics engineer.

Joel "Skip" Conwicke, born in Endicott, N. Y., is a graduate of Union-Endicott High School. Skip was active in Key Club, Student Senate, band, orchestra, choir, and was active as captain of the track squad. He is president of this year's pledge class. Skip is a ceramics engineer.

Edward Cridge is from South Glens Falls. In high school Ed was the president of the junior class, senior class and Varsity Club. He was a member of band, orchestra, National Honor Society and was co-captain of the football team. He is vice-president of the pledge class and is a ceramics engineer.

George H. Dagget Jr. is a ceramics engineer from Bradford, Pa. In high school he belonged to the Pi Bati Club, Rifle Club, DeMolay, and was on the Bradford Rifle team. He was on the N.R.A. United States Championship team. George is the secretary of the pledge class.

Wallace Dale was born in Albion, N. Y. At Albion High School, Wally was active in student government, Hi-Y club, Varsity "A" club, and Glee Club. He was an outstanding athlete in school, and played football, basketball, baseball, track, wrestling, and volleyball. Wally is in the liberal arts college, majoring in business administration.

Edward Dean from Wilson, N. Y. is attending the liberal arts college. At Wilson Central School, Ed was president of the biology and science club. He played varsity basketball and tennis.

Kent Riegal attended Cameron County High School, where he was active in chorus and had his own dance band. Kent is a pre-medical student in liberal arts.

Jack Rittler is a ceramics engineer from Rochester, N. Y. Jack graduated from Jefferson High School. He won varsity letters in wrestling and soccer, and was active in student government.

Don Sanders is from Rockville Centre, Long Island, and is in the liberal arts school. Don graduated from St. Paul Prep School. In high school he played football, basketball and wrestled. Don was also the editor of the yearbook, treasurer of the junior class. Here at A. U., Don is a member of the Student Senate and the Drum and Bugle Corps. He is the president of the freshman class.

Modesto J. Sandino was born in Grenada, Nicaragua. Pancho is a graduate of Colegio Centro America, and was a member of the soccer and baseball teams. Poncho is studying chemistry on a Rotary Club scholarship at A. U.

Lyle E. Thornton is from Van Etten, N. Y. Lyle attended Van Etten Central School. He has spent three years in the U. S. Army, and is taking ceramic engineering at A. U.

Banquet - Dance

April 27

Rushing

During the spring of 1956, four men were pledged, adding strength to their classes.

Doug Smith is a graduate of Hempstead High School on Long Island. While there, he earned varsity letters in track and cross country. A junior studying for a degree in ceramic engineering, Doug is also a member of the track and cross country squads at Alfred.

Sam Warner is a sophomore liberal arts student, majoring in business. He was born in Schoharie, N. Y., and was graduated from Williston Academy, Easthampton, Mass., in 1955. While there, he participated in band, soccer, and basketball. While in Alfred, he has played freshman basketball, is a member of band and holds the position of treasurer in the A.S.C.F.

Roger Eiss hails from Paul Smith, N. Y., where he graduated from Saranac Lake High School. While at Saranac, he was a member of the band, orchestra, student council, choir, drama club, newspaper, National Honor Society, yearbook photographer, and numerous other organizations. Roger is a transfer student from Paul Smith Junior College. He is a junior majoring in ceramic technology and is active in the band, chorus, an accompanist, a member of the American Ceramic Society, the Footlight Club, and the A.S.C.F. His major interests are art and music.

Alan Guernsey hails from Cobleskill, N. Y., where he graduated from Cobleskill High School. While at Cobleskill, he was active in the band, chorus, county organizations, International Relations Club, intramural sports, and track. Al is a sophomore majoring in ceramic engineering and is a member of the Alfred Student Christian Fellowship. His major interest is in music.

House Members Active in Advanced ROTC

There are seven seniors and eight junior Lambda Chi's in the Advanced Reserve Officer Training Corps at Alfred.

The seniors are: Dick Best, Phil Bailey, Frank Gilbert, Bill Rhodes, Erf Porter, Ed Spirko and Al Cieski.

The juniors are: Bruce Boulton, Pete Bacher, Andy Seaman, Tom Klinder, Dave Wilcox, Joe Stein, Fran Tatnall and Bill Dick.

Social Events

Lambda Chi started its social season off with a "blast" held at the Hornell Sportsmen's Club. The party was honored by some of last year's alumni. Among them were "Huby" Thornton, Wayne Decker, and Dick Thomas (Tuomola). Shortly following this event, a "Frosh Tea" was given for the freshman girls from the Brick.

Following one of Alfred's home football games, Peterson's famous "glug" melted the chills and melted the gills. On one of early fall's frosty nights, we had a hayride. About 11 p.m., 80 frost-bitten feet bee-lined it to the house for hot coffee and doughnuts.

We preceded our first formal of the season, the Military Ball, by a punch party at the house. After the ball, open house was held. The very next night was the annual Homecoming. Following our victorious football game, we held another open house. All in all, the weekend was a "smashing" success.

To celebrate the winning of our last home game, we held a joint party with Kappa Psi at their house.

Teddy bears and alarm clocks created some confusion at our last party. Another "first" for Alfred's Lambda Chi was a pajama party (with everything from "shorties" and nightshirts to nightgowns and "nightcaps"). Local talent in the form of a jazz band kept the party rockin' and rollin'.

There appears to be no let-up in the future activities, for the next items on our agenda are tapping night, a bowling party, Interfraternity and the kiddies' Christmas party.

New Initiates

On the weekend of December 8, 1956, seven men were initiated as brothers. They are:

Lawrence E. Eaton '59
Broadalbin, N. Y.

Roger L. Eiss '58
Paul Smith's, N. Y.

Alan S. Guernsey '59
Cobleskill, N. Y.

William V. Marchetti '59
Kingston, N. Y.

William D. Sherman '57
Lima, N. Y.

Douglas R. Smith '58
Hempstead, N. Y.

Samuel T. Warner '59
Schoharie, N. Y.

This brings the roster of Kappa Sigma Zeta to a total of 516 brothers.

A well-attended Costume Party

Annual Christmas Party

Lambda Chi held its annual Christmas Party for the children of Alfred and vicinity on Sunday, December 16th. The house was decorated for the Christmas season under the direction of Larry Eaton '59. An excellent job was done, including a reindeer, sleigh, and Santa on the roof, outdoor lights, and tasteful indoor decorations.

At the party, refreshments were served, a magician entertained, and of course, Santa in the form of Bill Marchetti '59, gave presents to all.

Kappa Sigma Scores In Scholarship

After a long hard pull by most of the brothers and a "little" effort by the seniors taking business seminar, Lambda Chi Alpha has gained second place in scholarship with an average index of 1.58, and won two trophies for the most scholarship improvement on campus. The recently inaugurated Interfraternity Council Scholarship Improvement Cup now rests on our mantle and the scholarship improvement trophy given by National will soon join it.

Two awards given by the house in June typify the mechanics of high scholarship attainment. Everett Harris '56 was given an award for the highest accumulative index in the Senior Class, Merle (Squirt) Arnold '56 was granted an award for the most improvement in scholarship throughout his college career.

Men who are to be commended for their outstanding achievement of over a 2.00 index last year are the following: Phil Baker '58, Jim Chase '56, Bill Clark '58, Frank Desantis '56, Gerry Fox '56, Dick Grassi '56, Ev Harris '56, Stan Harris '58, Ted Merk '56, Bax Pierce '58, Bob Snyder '59, Joe Stein '58, Art Waugh '59, Rog Eiss '58. Congratulations guys, and keep up the good work.

Banquet - Dance

April 27

Plans for Remodeling of Cellar Progress

This year at one of the house meetings, the idea of remodeling the cellar was again brought out. The brothers felt that this project would be a definite asset to rushing, as well as providing a good place for house parties. Members of the house are already talking about the problems of drainage and costs. The first undertaking would be the laying of a cement floor, followed by installing proper drains, and eventually finishing off the ceiling. The completion of such a project will be the fulfillment of the dreams of many brothers, both active and alumni. It will be another feather in the cap of Lambda Chi, and it will make every member of Kappa Sigma Zeta a proud one. P. O. Box 827, Alfred, N. Y.

Moving-Up Day

In the ceremonies on Moving-Up Day in the spring of 1956, Lambda Chi gained legs on two trophies. Our glee club won the Step-Singing contest for the second time in three years. One more win and we retire it. Our High Alpha, Bill Rhodes '57, accepted the I. F. C. trophy for the fraternity showing the greatest scholarship improvement. This award was presented on behalf of the council by its president, Ed Spirko '57, at an assembly conducted by Erf Porter '57, president of the Student Senate.

Another Lambda Chi, former I.F. C. and American Ceramic Society president, Dick Thomas '56, received an award as outstanding student in the ceramic college.

Lambda Chi came out on top at this award assembly, which was attended by Traveling Secretary "Doc" Dirghall.

**St. Pat's
Is Scheduled for
March 15 & 16**

Lambda Chi's Hold High Campus Positions

Many of our members hold offices on campus. It is noteworthy to mention these men, for it shows that our leadership quality and influence extend outside our house.

Ed Spirko '57, is the president of the Interfraternity Council, publicity director of the student branch of the American Ceramic Society, chairman of the St. Pat's Board, chairman of the Social Workshop. Joe Stein '58, is treasurer of the Interfraternity Council. Erf Porter '57, holds the important position of president of the Student Senate. Phil Baker is the National Students Association representative to the Student Senate. Among the class officers we have Bruce Boulton, junior class president, Bill Clark, vice-president of the junior class, and Don Sanders, president of the freshman class.

The house also boasts three members of the Blue Key, our honor society on campus. The members are Bill Clark '58, Bruce Boulton '58, and Phil Baker '58. Boulton is alumni secretary of the organization.

Frank Gilbert '57, is the head waiter at the Brick, and was captain of the varsity cross country team for two years. Frank Finnerty is cross country team captain this year, and was last year's freshman track team captain. Baxter Pierce is a counselor at Cannon Hall.

Many of the officers of clubs on campus are from Lambda Chi. In the Psychology Club, we have Bob Jackson as president. Sam Warner is treasurer of the Alfred Student Christian Fellowship. Bill Rhodes is vice-president of Keramos, and he is also a member of the track team. Joe Stein is treasurer of the Eyes Right Club.

Representing us on the staff of the yearbook is Bruce Boulton '58 as business manager.

House Improvements

Our hats are off to the Alumni Association for the support they gave the house for badly needed repairs done in the last few months.

The driveway, at long last, has been paved. Many may now forget the mudhole conditions that have been eliminated by this paving. The Alumni Association made positive plans last spring to have our porch repaired. These plans were completed during the summer. The old wooden flooring was replaced by a poured concrete floor. A concrete wall was placed behind the existing stone wall to provide better support. The repair of the roof completed the major repairs outside the house.

The actives worked diligently during Intersession and Postsession in renovating the Housemother's room. The entrance to the room was changed from the kitchen to the dining room. A rearrangement of closets has made the room much more desirable.

The men returned early in the fall to carry out a successful clean-up. During this time the house was given a whitewash touchup and the green and white trim was painted. An asbestos floor in one room and built-in desks in another brings the house closer to the completion of a long-term project. It has been our desire to have tile floors and built-in desks in all the study rooms.

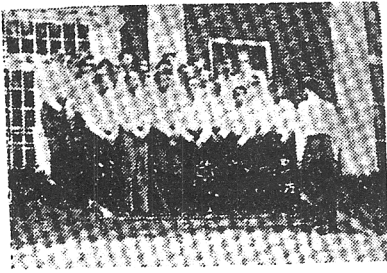

The pledges have done a great deal to keep the house in tiptop shape. The group to be initiated this fall painted parking lines on the pavement in our parking area. The electric badge was refinished and the electric map showing the location of all Lambda Chi chapters was brought up to date.

All of these improvements would have been impossible without the assistance of the Alumni Association. The actives wish to express their appreciation for all the aid they have received.

House Helps Make St. Pat's Festival a Success

Again in 1956, Lambda Chi won honorable mention in the St. Pat's float contest, held as part of the Festival in March. In the beard growing contest, the top three prizes were taken by members. Dick Grassi '56 repeated his copping of the prize for the most handsome beard. Bill Dick '58 had the longest beard and Erf Porter '57 was awarded the prize for the most novel beard. Ed Spirko '57 and Gerry Fox '56 were members of the St. Pat's Board, which is responsible for the running of the Festival. This year, Ed is again a member of the Board, along with Pete Bacher '58.

KAPPA SIGMA

Moving-Up Day Step-Singing

Editor's Notes

Our actives and alumni extend their heartiest best wishes to the following brothers who have become pinned, engaged, or married within the past year.

Dick Best '57 is pinned to Carol Small of Buffalo.
Bill Rhodes '57 pinned Jackie Monahan of Tuckahoe.

Recently engaged were:
Arden Davis '57 to Barb Van Arsdale of Auburn
Phil Bailey '57 to Marge Pfeiffer of Buffalo
Wayne Decker '56 to Dianne Hausler of Rochester

Doug Smith '59 took Eileen Miller of Binghamton as his wife on November 4, 1956.

Merle "Squirt" Arnold wed Mary Carmichael of Castile on December 22, 1956.

Mike Randle '56 was wed to Audrey Johnson of Geneva on December 1, 1956.

Frank Ottman '59 married Ruth Seymour of Rochester in September of 1956.

Lambda Chi Alpha in Intramural Sports

Kappa Sigma Zeta finished in third place in the '55 Intramural season. Many of last year's football team were lost after graduation, but the new brothers helped re-strengthen the team to help LX finish in a tie for second place with a record of 4 wins, 2 losses and 1 tie. The offensive men leading the team were Erf Porter '57, Bill Clark '58, Tom Klinder '58, all in the backfield; Ed Spirko '57, Joe Stein, '58, Bill Rhodes '57, Bill Marchetti '59, and Barry Livermore '59 in the forward wall.

Basketball season is just getting under way and LX has better than an average chance to win the league. With 6'8" Phil Baker under the hoop aided by 6'3" Sam Warner '59 and 6'3" Roger Shields, and John Williams '58, Erf Porter '57 and Don Wilklow '59 in the back court, the team averages 6'.
