House Manager's Report

Renovation is continuing in the sleeping porch. A new ceiling will be complete by the end of the semester, as will as molding around the windows and doors. A "Wish List" has been sent to Housing Corp. regarding needed house improvements. With most of our support coming from alumni, with housing corp.'s assistance, the "Wish List" could become a reality and not a wish. A copy of the "Wish List" is presented below. If there are any questions, or Brothers who can help with anything on the list, please contact Vince at 607-871-3894.

Central Fire Alarm System (to meet fire code)
 Fire Proof Door for the Boiler Room (to meet fire code)
 Entrance doors and frames (5) (to meet fire code)
 Re-zone heating for Sleeping Porch
 New flooring in Sleeping Porch
 Ceiling tiles for porch, hallways and rooms
 Window hardware repair/replacement
 New bathroom floors (4) (tiles, floor boards)
 New passageway doors (7)
 Boiler leak testing, fixing if needed
 Repair of the fireplace mantle in the Chapter Room

Outside:

Eve and rotting wood replaced
 Driveway needs sealant

Thank you,
 Vince Maione

Lambda Chi's Teeter Totter for 72 Hours

For the third year in a row, the Brothers of Lambda Chi Alpha teeter tottered for seventy two hours nonstop. This years annual See-Saw 72 brought in \$475 to be donated to the Alfred Community Chest. The decrease in donations from last year was due to the present state of the economy. Many businesses unfortunately were unable to sponsor us. The check will be presented to the Alfred Community Chest on Sunday, December 15, at our general meeting.

A New Year's Resolution

This past semester we all experienced something we wish we would never have to experience. The death of Brother Jeffrey Brian Grey affected everyone very deeply, especially since he took his own life. We will never know why so all we can do is hope that Jeff is at peace. We have all pulled together during this tragic time and have shown what true brotherhood is all about. I think that we have all put the experience behind us but our memories of Jeff will always remain with us.

This semester we have been taken off of probation, the house is financially stable, and we are expecting a large spring associate member class. Due to our low numbers, we are all paying extra and our budgets are smaller but we will pull though and work hard to build our numbers.

Yours in ZAX,
 Darren L. Kraft

New Brothers Enter Bond

On November 9, 1991, three men were initiated into our bond. Robert Genant III (Parish, NY), Elliot Otchet (Hazlet, NJ), and David Williams (West Hempsted, NY) became the newest Lambda Chis. We are presently up to Kappa Sigma number 1332!

This semester, the associate member ceremony (i.e. "Tapping") will be Friday, February 14th.

Anyone wishing further information about the associate member ceremony or any initiation may call me at (607) 871-3131. I hope to see some of you on February 14th and throughout the semester.

Yours in ZAX,
 Chritopher Roesch

Minutes from the Past...

We've fired up our time machine and headed back to the Chapter Room for another meeting of the Kappa Sigma Zeta...

Brother Taylor reported that a Silvertone radio would be on trial at the open-house on the 4th of October. He also reported \$21.00 collected for the radio fund. The turn-in value of the old radio is about six dollars.

The house is being painted by Brothers Wygant, Kodak, Miller, Langworthy, and others.

Brother Langworthy announced the last semester house index as 1.35. The house was congratulated on the index by brother Bunnel.

Brother Tinke was elected as co-rushing chairman.

An assistant steward and house-manager was proposed by brother Washburn.

Appreciative comments on the table tops donated by Mr. Kipp were given by Brother Wygant.

Co-operation for the cleaning of the house for open-house Friday was asked.

A permanent Rushing Committee was appointed with Brothers Miller, chairman, Timke, Hauth, Brother Tucker to be member of ex officio.

A Lambda Chi banner for the chapter room was discussed and recommended as a pledge gift for the house.

John Kirchener was proposed for pledgeship and is to be invited to dinner this week.

A publications committee of McGill, Langworthy, and Moebus was appointed.

The proposal for slip-covers for the furniture in the music room is on the table.

The Homecoming Report

The Housing Corp. met on November 2, 1991, at 12 pm. The meeting was called to order by Gary Delregno. After reviewing the old minutes, Gary commented on how impressed he was with the condition of the house.

At the meeting, Michael Kaminski ('91), informed the Corp. of the \$4800 in outstanding taxes and interest penalties from the IRS, from the years 85-88. The Corp. agreed to pay the bill, with the stipulation that a letter is sent to all the brothers from those years.

There was also some discussion about refinancing the mortgage, due to the high A.M. & Brother dues, along with low numbers (29). To increase our numbers, the Corporation offered an incentive of \$100 for every Associate Member in the Spring.

President Kraft ('92) informed the Corporation that the Kappa Sigma Chapter of Lambda Chi was officially taken of probation.

Finally it was discussed about having a fund drive, with the goal set at \$30,000. The representatives for the classes are:

L. Pennisi, M. O'meara, G. Delrengno-mid '70's	
S. Coleman, M. Falzone	'83
S. Nelson	'87
L. Gigliello, D. Togni	'90

If you would like to be a representative for your class, write to:

The meeting closed with hope and aspirations to move Lambda Chi at Alfred forward. However, it was realized in order for this to be accomplished the active brothers and alumni need to work together.

Omega

William L. Schwartz

After a three year battle with cancer, William L. Schwartz passed away. Our deepest sympathies are extended to his wife Nancy Lee, two sons and daughter. While at Alfred University, he was High Beta, Pledge Master,

Athletic Director, and numerous other activities in Lambda Chi-Alfred University. He will be missed by those who knew him as a friendly, caring person with a captivating personality.

Jeffrey Brian Grey

Passed away in November, a shock to Lambda Chi and the Alfred Community. Jeff was a senior ceramic engineering student and a vital part to Lambda Chi. He was High Beta, a DJ at WALF (campus radio), member of the Rugby team, American

Ceramics society, as well as everyone's friend. Jeff was deeply loved and will be sorely missed. Our sympathies are with his family, friends, and fraternity brothers.
